

CACFP Summer Short Course **RECIPE EXCHANGE**

Many centers have requested to have a recipe exchange at CACFP Summer Short Courses. If you are interested in sharing a favorite, kid-tested recipe, please submit no more than one recipe in the space provided on the back. Each recipe should include:

Center name, city, recipe name, number of servings it yields, serving size, ingredients and amount (weight or measure), directions, cooking/baking time and temperature, pan size, how to portion or cut, any special equipment needed and meal pattern contribution. If recipes are missing essential information that we cannot obtain by contacting you we regret that the recipe cannot be shared with other participants at the conference.

In addition, please fill out the form below. Send submissions by June 16, 2006 to:

Robin Searles, Consultant
Iowa Department of Education
Bureau of Nutrition Programs and School Transportation
Grimes State Office Building
Des Moines, IA 50319
